**West Point** - Friday April 22, 2022

During the First Region Mary G. Roebling Distinguished Service Award Luncheon, Cadet LTC Hentoff Moneus was awarded the General Carter Ham Scholarship for 2022. Cadet Moneus embodies everything positive about Junior ROTC. A quick scan of his Bio shows the diversity of his accomplishments that remains a true testament of what makes JROTC so strong - hard work and sacrifice yield excellence in all walks of life. Congratulations to Cadet Moneus and all other scholarship winners.

This is C/LTC Hentoff Moneus the battalion commander from Irvington HS JROTC. I wanted to thank you again for the great opportunity and award you have given me on behalf of AUSA. It was an extraordinary honor for me to stand up there receiving the accolades. My parents were also proud of me; they send their sincerest apologies for not being able to attend the event. The food, desserts, and the tour of West Point were really amazing. Last Friday was an experience I would never forget, thank you so much for allowing me to experience it. Thank you for always supporting the Irvington High School JROTC program!

Sincerely,  
C/LTC Hentoff Moneus  
Battalion Commander  
Crusader Battalion
